

Auburn Housing Authority

Your Key To Housing Opportunities

The Auburn Housing Authority (AHA) has been selected to participate in the United States Department of Housing and Urban Development (HUD) cohort #1 of the [Moving to Work](#) expansion. This notification represents our intent to participate in the MTW demonstration and of our desire to receive public input on the plan development. Participation in the MTW expansion will allow AHA to develop local policies to enhance our resident/ participant's self-sufficiency outcomes, improve access and availability of housing, and implement evidence base strategies that promote program efficiency and efficacy. We are excited for this opportunity. AHA has scheduled two resident/participant information and input meetings to be held by phone. Open to all Housing Choice Voucher program participants, participating in the TBV and PBV programs. The meetings will be held on the following dates.
